

BERTA Recommended Care Instructions

- Pour 1/2 a cup of laundry detergent to a bucket/tub filled with 5 liters of warm water.
- Mix the water, and put the dress inside.
- Gently hand rub the dress and then rinse it in lukewarm water. Make sure to rinse it for a short period, no longer than a few seconds.
- At this point the dress needs to be hanged to dry.

*Be aware **not to use** a washing/dryer machine under any circumstance.
